NEW ORLEANS, Sept 21<sup>st</sup> 1908

Mrs Emma K. Touger,

Dear Madam:

Your note of past date together with the book "Buttons Inc" received.

My absence from the city precluded an earlier acknowledgement of their receipt and an opportunity of expressing my thanks for the book, which I shall read with pleasure as I have other mementos of your distinguished and lamented husband.

Very respectfully,

P.S. In re the Kehriappella matter I beg to say that I have not received anything from him since my last to you; he has promised to pay something in account next week.
