Miss Aimee Tourgee,

Mayville, New York.

Dear Miss Tourgee:

Our Epworth League is planning for a lecture course covering the late fall and winter months and we have wondered if you would care to come to us for an evening. Your very interesting lecture, *Everyday Life in France - Social and Domestic Oddities*, which you gave at Chautauqua this summer would, I am sure, be very well received by our people. Perhaps, however, you would like to make other suggestions.

I regret to say that the League is not in a position to pay a large fee. Will you please write us, giving the very lowest figure at which you could come to us, also stating if you have any preference as to dates.

Thanking you for your early consideration, we are

Yours very truly,

BEMUS POINT EPWORTH LEAGUE
