My dear Mrs Tanager -

I snatch a moment to tell you I read your memoirs in Sunday Express before coming down here & it is well done & I hope we shall have more & I was glad too to get the announcement of your daughter's talks if she talks publicly as interestingly as in private she will succeed & I am sorry not to have seen either you or her in Buffalo but I have been here and in N.Y. in the Coal Trust case nearly all the Fall & Mrs Mast is not yet home
Sincerely your friend, Adelle Mast
