RESIDENCE, COLUM. 774

WASHINGTON, D. C. Oct 31 1908

Dear Mrs. Tourjée,

I wonder if you are in America and whether you will spend the winter in Washington. Please note that I now have offices down town and am giving all my time to the practice.

I hope you have both been well and happy since I last saw you and that if you come to Washington this winter I may see you, and may have your support

With best wishes -

Very sincerely yours
C. O. Goodpasture
