Mrs Emma K. Tourgee.

Mayville, N.Y.

My Dear Madam :-

Owing to holidays and other interventions ,
there was quite a lapse between the meetings of our Club, therefore
no action taken and no reply to your favor of 23rd Decem.

At meeting of Friday last, (15th) the matter was discussed, and the
subscriber instructed to ascertain exact date of lecture at
Meadville, in order if possible to fix date of ours ; also to
inquire further, if the expense includes fare Irwin to Mayville,
in addition to that Meadville to Irwin.

Along the line of literary information and discussion, we assume
that your daughter would not object to reply, at the time, to a
reasonable number of inquiries, relative to the writings of Judge
Tourgee. ??.

I return herewith the clipping (cut) from Buffalo Times on Miss T.
Might add here, that judging by an article from her pen, entitled
"Wanderings in Barcelona," and published in yesterdays supplements,
~~that~~ her ability as a writer and observer are unquestioned.

May we hope to hear further from you.

I remain ,

Very Respectfully yours.
