The Pittsburg Dispatch

OFFICE OF
CAROOK, PRESIDENT-EDITOR

Dear Miss Tourgee: I learn that you are going to give a little talk before the wednesday current Events class of this city next Wednesday, and as I am a member of the class, and Mrs. Crawford tells me you give lectures on france, I thought you might be willing to send me your picture for the dispatch, as a picture, I think, always is a good means of calling attention to a new person, and yours would be of special interest because of the fame of your father. Mrs. A. W. ~~Crawford~~ Crawford thought you might send it to me and so I ^a take the liberty of making the request that you mail me a photograph of yourself.
