Dear Mrs Gougee

Your telegram and note telling us of your daughter's illness and inability to be with us, as we expected, reached us in good time. We were much disappointed as well as the members of the Current Events class. We had a delightful social meeting on Wednesday and if Miss Gougee could only have been with us every thing would

have been perfect.

I am enclosing a couple
of clippings that appeared in
your papers referring to Miss
Gordon's expected visit to
Pittsburg, also the clipping
that Mrs. Hall sent us.

Hoping to hear favourable
word from you in a few days.

I am cordially yours

Hettie A. Crawford.
