My dear Mrs. Furgess -

Mrs. Wood asked me to order through you the following books - "Figs & Thistles" "145" Reg. - "Hot Poor Shares" - I quote from a letter & you can probably make out better than I which ones she wishes.

Please send them by mail to her care of W. W. Harwood Maple Hill - R. F. D. Kattsburg, Penna. & the bill for same please send to me & I will

and cheque.

I hope you and your daughter
have enjoyed the "open winter"
& not had any sicknesses but
are fatter than ever. I am
rushed now days & so
cannot write more than
just this little business note.

Best of good wishes

Yours respectfully
