Washington, D. C.

My Dear Mrs. Tourgee:

I have your letter of the 27th. inst. and am sorry to learn of Aimee's illness. I was not aware that she had been in a Pittsburg hospital ill for so long a time. She is not very strong and it may take some little time for her to fully recover.

As requested I am inclosing our draft on New York for her interest due April 1st. amounting to \$50. Relative to calling in one of her Waddell investments of \$1,000. I beg to state that these bonds are not due until April 1, 1911. In case you find that your necessities are greater than your present resources I think we can arrange to secure a part or all of one of the debentures for you. If you should not need the full amount of one, I will be glad to ask the company to cut one in two giving you such an amount as you may need. I hope that Aimee will soon recover and be able to join you in Washington.

Mrs. Flagler joins me in kind regards to you and Aimee.

Very truly yours,

Cashier.
