Dearest:

Your Tuesday's
letter came as usual
this morning about 10.30
I don't see why the
Sunday letter was de-
layed. I made Mrs
Minson take it down
to the house mail
box early in the p.m.
This a.m. was very dark

and rainy - still
dark but does not
rain, I think. I had
a bad night, ~~for~~ in
comparison to former
times. But got 5 hours
sleep, gave to both
water bags. But
was wet & nervous
& then this morning
was so much clearer
day all over the house -
so you may imagine

I am not profoundly
tranquil just now.
Glad you find Maude
satisfactory. You will
have a pleasant
time at Aunt Bessie's
luncheon. Have you
seen the Townsends?
Aunt Anna sent
another Collier - not
a very interesting one.
Must stop as
my hand cramps.
Please give

my love to Aunt Bess
Lots of love to your
darling.

yours. A.
