

Friday 2. p. m.
Homeopathic Hospital
Pittsburg, Pa.

Dearest: This a. m. was
very dark and rainy,
and to the change of
weather Mrs. Murson
laid the rather bad night-
I had. But I guess it
was partly due to the
"inevitable" which appeared
this a. m. too. I got
about four hours sleep;
but did not have any-

"grand cruise" though
was very restless.

Dr. Latimore came
in for a friendly
good morning about
noon. Asked kindly
about you.

I cannot sit up
the least bit without
that awful pain or
getting sick to my
stomach. Otherwise

I think there is rather
less pain.

Hope you had a
pleasant trip, - our
know Aunt Beattie was
glad to see you.
Please give her my love.
No more now,
dearest. Yours, A.
