Mrs. Emma R. Touger,
2020 Perryville Ave.,
Pittsburg, Pa

Dear Madam:

Dr. Dean wrote you yesterday
in regard to my renting the apartment
in the Shockheim, which is soon to be
created.

I have looked at the rooms today
and they are very suitable for what I
desire them and I write to ask you to
rent them to me if you possibly can.

We have no children and the place
would be well taken care of. Would want my
office there, but have no heavy furnishings
that would injure the walls or floors in any
way.

Have talked with the present occupant,
and should you be willing to let me
have the room, I think I would be able to
get possession of at least two rooms in
the immediate future.

I desire to get located as quickly
as possible and trust you can see
your way clear to rent the apartment
to me. If you do make up your mind to
let me have it, please wire me here
at my expense, stating price

Yours truly
Dr. Geo. W. Reynolds
