Mayville, N.Y.

Dear Madam;-

Your favor of the 5th inst., enclosing check \$15., received with thanks.

You understand that our nurseries are a number of miles outside of the city limits, and it is not always possible to forward goods by any one express. We are obliged to ship them by the express that comes out first, so as not to have the goods lying around the nurseries for any indefinite period, and we presume this is the reason why your goods went by American instead of Adams.

We will send you the shortage of hedge plants reported immediately.

Very truly,

THE FAIRVIEW NURSERIES.
