Dear Mrs. Souque:

In compliance with your favor of even date, I called at Judge Anderson's office to sign the lease and was surprised to find that you have caused the rent to be \$20.00 per month.

This is not in accordance with your instruction to the Judge by letter in April. According to that letter, (which the Judge read to me), the rent was to be \$16.00 each window.

As it was with that understanding that I moved into your place, you will please correct your

leave to read \$18.00 per
month. ~~24~~

I desire to have it also
understood that the flat to be
put into good repairs, also that
I am to be allowed the use of
the barn for my horse and wagons.

Please advise.

Yours truly

Geo. W. Reynolds
