Dear Mrs Tougee.-

Very many thanks indeed for your letter and magnificent gift in memory of your daughter to her godson Hugh Aine Knight this act is just like her, although we only knew her and were with her for so short a time, we were much taken by her generous and sympathetic

nature and kind
thoughtfulness for
others.

It is indeed a blow
to all who knew her.

Will you please accept
the sincerest sympathy
of my wife and myself.

My wifes name is
Lyttie Kathleen Knight
and my name

Charles Stafford Knight

Yours very truly

CS Knight
