Dear Madam:-

I return the bill of Rosinski & Morris for \$51.11 also the bill for \$2.50. Kindly make a bill against this company and include all the items concerning the damage; it will be necessary for you to have Rosinski & Morris send you the Freight Bill of \$2.36, and also the Freight Bill of \$1.00 included in the \$2.50 portion. As the shipment was damaged by fire it is necessary for us to have a bill, also the Freight Bills as the Insurance Company requires them.

Yours truly,

WEL\$AJ.
