Mrs. C. K. Fougée

Dear Madam:

Herewith enclose bill of freight paid
on receipt of table, which is as you see
\$1.12. The other bill, when table was returned
to you, I am unable to find, it was possibly
mislaid, but the amount was 74¢ and
cartage to depot was 50¢, which makes
freight charges amount to \$2.36. Hoping
this will be satisfactory to the R. R. Co. and
expecting an early settlement of bills I
remain

Yours truly

M. J. Rosinski
