Dear Madam:

Will you kindly give me further information in regard to your farm and house and lot at Mayville which you offer for sale as per "Bulletin of Farms No 16" issued by the State of N.Y. As follows. Is there a house and other buildings on the farm? if so please describe briefly!

Is the water good and supply ample?

Is the location healthy and pleasant?

When would you give possession if you sell?

Would you rent the farm for a year with privilege of buying if so what rent would you ask. Any information you may give me will be appreciated.

I enclose an addressed envelope for a

reply and would be glad to hear from you at your earliest convenience. as I expect to go to Chautauqua about August 5th and would visit the farm if I receive a favorable reply.

I am looking for a home in a good neighborhood and thought that your place might suit me.

Thanking you in advance for the desired information, and hoping for an early reply.

I remain yours truly
