OFFICE OF
E. J. SWIFT, TREASURER
CHAUTAUQUA COUNTY
MAYVILLE, NEW YORK

August 7, 1911.

Mrs Emma K. Tourgee,

Mayville, N. Y.

Dear Madam:

I hand you, herewith, receipt for \$1.27, for returned tax on property in the town of Chautauqua assessed against you, returned as unpaid from the 1910 roll.

I find upon examining the roll that this is a tax for State, County and Town purposes, upon 7 acres of land assessed to you, in the township of Chautauqua, on Lot 44.

I am unable to tell you whose fault it is that leads to this notice of unpaid taxes. It appears that the assessors have assessed this property to you, which they should have done if you are the owner. It seems that the tax was not paid to the town collector at the time you paid your other taxes. Why, I am unable to tell. The town collector makes a return to the county treasurer of unpaid taxes and payment can be made to the county treasurer of these taxes, but this office sends out no notices of these taxes except to publish a description of the property preparatory to selling the same for the tax. In order to save so many tax sales I send a list of the unpaid taxes to

the supervisor who is Mr Scofield, and it seems that
he sent you this notice. I do not understand that under
the law he is obliged to send this notice.

Yours respectfully,

County Treasurer.
