

Kneipp Baths

Summer and Winter Establishment

~ Open all the year round ~

English spoken _____

Head physician, Dr
Johan Bergqvist, appointed by the Royal Swedish Medical Board.

All enquiries answered in English.

Postal address: Kneippbaden, Sweden.

The Motala river from the grounds of the Institution

SITUATION

THE KNEIPP ESTABLISHMENT is situated in central Sweden near the town of Norrköping (40,000 inhabitants). Excellent land and sea communications. — Healthy and hygienic situation in a beautiful district on the lovely, broad Motala river with its excellent fishing, which divides the two parks of the Establishment. The two shores are connected by a bridge.

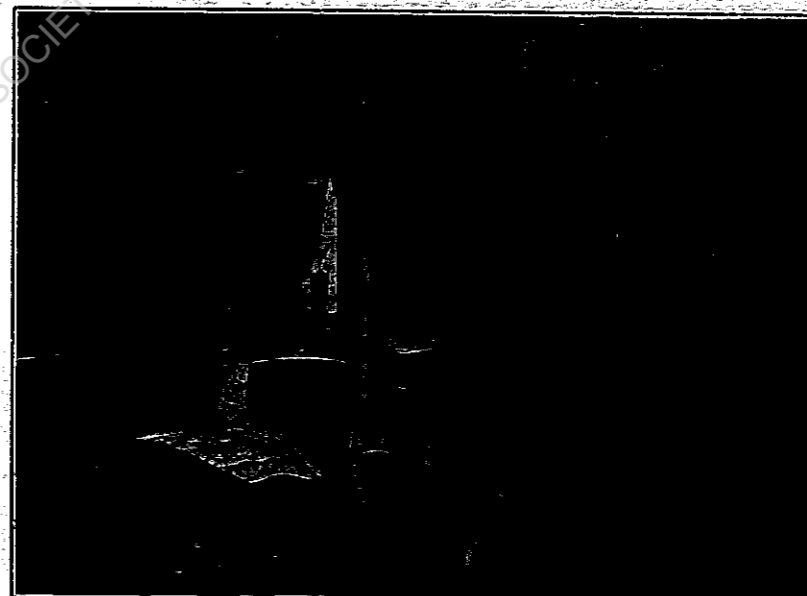

TREATMENT

Every modern form of water treatment; speciality the Kneipp cold water-cure, air and sun baths, Swedish movements and massage — electricity, diet, mineral waters etc. etc.

DISEASES

suitable for treatment.

Nervous debility, nervousness, hysteria, anæmia, poverty of blood, influenza, muscular and articular

The Reading Room

Grand Pensionat

rheumatism, gout, diabetes, asthma, scrophula, heart and kidney diseases, throat and stomach catarrh, bowel catarrh, spinal complaints, affections of the skin.

OBS! Hardening treatment to prevent chills.

The Strand Promenade
