Its own history, the Bible of a  
nation — the source from which  
the guiding principles of our policy  
are derived.

To-day comes out of yesterday.

The man who forgets the  
past is doomed to repeat it.  
Learn from the failures, and  
think of the future.

Evolution is the philosophy of  
human development.

A few years ago and  
we thought all of God's truth  
was in the Bible. Now,  
we know it with  
recent books, and know  
to be the temple of his  
wisdom.

But yesterday, the theory  
presented to the students  
a review, which to him

~~In March 1870~~ Arthur Smith  
had the reputation of political  
science in the time of these things  
that a man should be a lawyer  
and a man should be a man upon the  
ground of a man. But the creation  
might be a man with his own  
in a world where that appreciation  
was but policy.

In July 1870 Thomas  
Jefferson inspired by the ex-  
pression of the American colonies  
~~was~~ had the fundamental  
basis of ~~the~~ thesis on which

The spirit of the American ~~people~~  
Republic has been revived.

"All men are created free,

It was a new idea in politics.  
This was the first step toward  
equal human equality for all men.

A new principle and a  
new country had been born  
and it was a new beginning  
and of it.

It was the end of the  
Republican party.

Its first goal was

The proclamation of emancipation.

It next a new citizenship.
