Dear Judge:

Where did we agree to run the line between a  
Misdemeanor & a felony? I have forgotten, & took no note of  
it. Did we decide to leave it as in the Penal Code of '64?  
I have an impression we changed it. That part of the code, I know,  
is assigned to you, but it is important for me to know it, as in fixing  
the penalty for any crimes, unless there be something special, it  
will be shorter & better to say simply it is a Misdemeanor or a  
felony.

I sent you a copy a few of our Report. If you need others,  
get Mr. Walker or one of your Representatives to call at the office,  
where we have a plenty. I would have put your "farm bill" in  
the list, but Nichols told me you had concluded not to go on  
with it now; and I think wisely, as there is no telling what  
changes the Legislature will effect.

Your ruling is right, & amounts to a letter stay even though  
the Legislature has passed.

Let me hear from you, when you have nothing better to do.

Yours faithfully  
V.C.B.
