I should like to be here one winter just
for the fun of it. Cant I stay I want to be
a mathemser. Oh! dear me, how about tell that
long story of what I have seen. When I
tell you I never heard of such a thing I
cant do that, then I know you will ex - a
laugh at me. I cant take time for that
for I have so many other things keep coming
up to day. but I guess I will tell you of it
while when I think where I am & what
way I came up here now do not laugh at
that for I have not been down in the C. of
town but twice since I have been here.
Oh! these lines are such a bother for they
are so hard to be seen, I cant write with-
out them like you. I am so sorry you had to
tell me I had the wrong idea of —. I will find out
