Hunt

Dear Mother  
I have been thinking  
of you a great deal lately  
and wondering how you are  
getting on. I hope you are  
well and happy. I have been  
very busy lately with my  
work and family. I have  
not had time to write you  
often but I will try to  
write you more often in the  
future. I love you very much  
and hope you will love me  
just as much. I am your  
affectionate son,  
John Doe

found and at what  
if he might visit <sup>Stettin</sup>  
I may have got myself so  
that I must see him that  
I am very willing to do - but  
by saying what I did may  
have given him a hope which  
I will never allow him to  
realize - as I have written  
him in the same and think  
that will do well while you come  
I have given I received what  
I want you to do is to go on  
to Mr. Pison in St. Helens  
I think you see the man requires  
in mind and those <sup>is that you make me who</sup> I rather think  
black hair or rather dark heavy whiskers  
and a fine complexion - you cannot  
mistake the man - if you  
have an opportunity I wish  
you find out what kind of  
man he is with the world  
upright or honest or what

So I may know reasonably  
how to answer the man  
I think I act like a person  
insane and if you could  
only know how that man  
or rather that it was my duty  
to write to the man I mentioned  
me you would have thought  
my head was just about set  
But the deed is done so far  
and now I want to know as  
much of the man as I may  
before I meet him. and it would  
be as being a most admirable  
opportunity of clearing some  
things as soon as you said  
you were going to be back -  
which I have been very glad  
telling you what I would do other  
wise for I see some head which it  
would be in an one eye and  
must escape the joke honorably

I don't want to see you  
 if you don't want I don't want  
 to talk with you to night I will  
 not go to so so I could  
 see you all but this may  
 be just as well - Mr. P. will  
 see how soon they will see  
~~her~~ she and she will come of  
 my letter - for the woman said I  
 had written to her. Please don't  
 say a word about this to any  
 body else for I don't want  
 any one to know it but yourself  
 if you can't say or believe it  
 just as soon as you could it  
 would be better to say it to the  
 doctor - I don't want to  
 be a part of trouble for you  
 and I hope much as I was  
 in the end - so for me the best  
 you can, and I love you  
 as you love me  
 Yours  
 John
