I am in a peck  
of books I don't know how  
I shall come out. Mr. Paddock  
is to be here on the 1st. Mr. Haines  
has a number of you to come  
in that night but you didn't  
get a word about it. I shall  
wait as long as I can so much  
that you may be back before  
you have a word. Try &  
say say. I will be present  
with you when they can't  
tell what it will be. Put  
with confidence in that you  
will do it and expect to  
beard that to say. All your  
own say.  
George  
Haines
