How about

August 31

Dear George

I can't hear anything
from the I. E. (I hope)
any more and you
will please let me
know if you can do
anything for me in
this affair. If you think
a recommendation will
do any good from this
place let me know and
I will get me up and
send it to you or to your
office. Let me hear
soon. Respectfully

Ed Burns
