August 10th
Mr. C. F. Jorgensen

Dear Sir
yours of the 3rd recd this morning
Mr Blair the new agent since
resigned last Tuesday and
the account of his incompetency
we did not know it.
I told one Mr Newsom from
Goldson. Which was turned
out for display a few days
ago. with present agent
I hire it from all parties
that it was appointed as assis-
tant agent under Blair, and
he would not have me, on
the account of Dr. Pugh
& other things - Now I wish you
you to work for me for the
agency and have Newsom
turned out

If it be necessary for
me to have recommendations -
you get one up for me.
& you assign the Gov
Holden & other Radicals
for to go to the President
of the Road, If it be
necessary you send it to
me and I will take it
to the President -

I doubt the Agency for
the Rep party had done
all they can to defeat
me which they have
the loyal friends of
Town ^{down} is ~~is~~ down & on
you & the Gov Holden -
& I thought we had been
here from you on the
motion again since
Blair's resignation -
I am say Mr Newson
is just here for a

Short time - though
we can not learn
any thing definite in
this Rep piece - So
you you will
please attend to this
matter for me and
I will make damage
good with you &
never forget you

Respectfully Yrs

G A Burns

Let me hear from
you soon what
you can do

Mr Blair could not
do any thing at all so
he I'd out as long
as he could
