

Moor is in Raleigh now sent out no doubt by the Democrats
John Amis, & the rest of the Copper heads. So they
can make Capital. give this letter to Judge Jounge
to read and tell him to press our Claim, for a
call term for the reason that it will be best for
the Republican party in Granville County, and
not have one will be to the advantage of the
Copper heads, and tell Judge Jounge to write to
me forthwith we have not heard anything from
him yet on the subject of our petition, the
number of cars sent is correct given to me
by the Clerk. Attend to this as soon as
you receive this, and you write to me also to
night and I will get the answer tomorrow
I send this by Robert Lafitte.

Yours
R. D. Jones
