Dear Madam :-

In reply to your letter of the 29th inst
I wish to say that if you could come
to Erie we would be able to select the
samples and talk about the price
and take your measure. If I was
to send you my samples you
see I have a pretty large selection
and they are rather large and as
I don't ^{know} what you would like, I think
it would be best for you to come to
Erie to pick out which one you would
like. I have different prices and
qualities of goods. And I could make
the suits any time it suits you.

And if you should come please let
me know when so I should be ready

to expect you.

Hoping to hear from you
in a short time I remain,

Yours Very Truly
