Campy Shop & Co
Blamann County

Hon. A. W. Tawzer

Dear Sir after my best
wishes & kindest regards, I can inform you
that we are not on the Star Still - & the Rebs a
little buoyant though there many despondencies
I hope you will do your best as prudent as your best put
forward the organization under the civil authority
as procrastination is the thief of time & cannot
be beneficial to our party - The Rebs Sheriff
of Blamann should not collect the taxes of this
County, which unless restrained will proceed
to do so soon as the Clerk has returned
the Tax Books to him & he has his advertisement
inserted in the paper - I think if he collects the
Tax of the County & State Tax will be lost & which
we can not possibly under our embarrassed circum-
stances afford to loose - I wished to see
you & talk with you when I was in Raleigh
but did not get the opportunity; I want you
to inform me whether your friends still wish
to buy a water power if so you can say to
them they can have mine with 139 acres of
land good & well timbered with it on as reasonable
terms as they can honestly secure - I wish
to go to the western part of the State & will
be glad to see you & will satisfy you for your trouble
if you can effect a sale for me with one
soon & let me know how you are on getting
a long & you will much oblige

Yours & Obedt
A. W. Tawzer
