

pack up with dirty clothes in
the Friday and leave that here -

Kiss Dodie and your sweet self
for me -

God bless you

Edison

P.S. - I expect Ed will say I gave
him that trunk as I can't help
get his name on it - I told him
that if he would talk on the side
he could have it - meaning to go
home with - which was what he wanted
I don't give away \$8.00 trunks that way
ever
