

Judge Temple

Dear Sir

In my hurry
on yesterday - I find that I
sent no affidavits as is required.
And now I am told that the rule
of the Court will not cover the cases
tried for Challenge & not yet docketed.
I take an early opportunity of
giving you this information - as I
know you are oppressed with business
- & should be relieved from all such
as in any way to be avoided

Yours truly

G. H. Phillips
