

Asheboro July 16<sup>th</sup> 1869

Hon. A. W. Furgerson Esq. &c

My friend Mr. Robin  
has delivered me a decree  
in the case of Lewis P. Ross  
vs. John Beck Rendell &c  
for the sale of Real estate  
in which Mr. Porter Esq. is  
Commissary

I am of opinion that the  
Court is the Commissary  
by the Act of the 23<sup>rd</sup> February  
1861 Chap 26 but I am not  
certain about the matter  
nor do I care except that I  
did not think it was according  
to law — I care but little for  
the fees & emoluments in such  
cases —

When a sheriff levies on  
land & makes his return of  
the levy & the land is condemned  
by the Court, does this mean the  
judgment as stated in Lee's letter (Shuff  
vs. R. &c) or not? I think the Court  
means the Court

When the Court condemns  
the land must be in an  
order of sale returnable in 60 days?

do clerks enter an Order  
Judgment Debt, judgments for  
costs, for instance the parties  
comprised the case, file the  
Terms &c, each party to pay his  
own costs or how is it?

What Order must the decree  
out of Term, in these new cases  
of Special Proceeding, be entered

Now an answer after  
this, I am tempted to enquire  
about, but really I fear your  
patience will fail

I regret to trouble you  
but you are aware that I  
am in doubt in many matters

When you get wholly out  
of patience with me of course  
on an intimation, I will  
cease

Very dry & warm, no news,  
general good health &c

My regards to the Madam  
Yours Obedt Servt  
R R Bullen
