

EXECUTIVE DEPARTMENT,
Adjutant General's Office.

Raleigh Aug 20, 1869,

Hon. A. M. Sawyer

Judge Tamm,

Greensboro, N. C.,

Dear Sir

Excuse me

for troubling you again.

I failed to make myself understood in my second question which was not intended to ask whether subsistence as well as transportation would be allowed while traveling. But whether I should be allowed "traveling expenses" while away from home (Bladen Co.) or only while away from Raleigh, where I am stationed not by law, but by order of the Governor, as I might be at

numbers, or any other place.

Which is the starting point?
2. reckon "Traveling expenses" from?
home - Receipt?

Truly Yours
A. W. Fisher

P. S.

I like the number of the
"Register" you sent me.

If it is a fair specimen
it has the smartest editorials
of any Republican paper
in the State.
