

Salisbury, N.C.

Sept. 16, 1869

Judge Louger

I have learned that you are paying some of the debts of "Louger & Co."—at a scaled rate, I suppose. However this may be, I enclose my advertising bill which I therefore think might suit you to pay in the way I propose, to wit:

15 rooted vines of the Concord Grape. Your draft on any one of the Nurseries at Greensboro, or elsewhere, for 15 "Concords," to be ~~delivered~~ forwarded in November, shall discharge my claim.

Very Respectfully
J. J. Bruner

P. S. It has occurred to me it might
be more convenient to you to dis-
charge the claim in some other
way. If so, you are at liberty to
adopt it. Very respectfully
