Unm... Dec. 21. 1869

Dear Mr. ...

It is now  
a long time since I have heard  
from you my father but since  
I have been in Ohio I have  
heard you often spoken of  
your friends here think you  
are getting on very fine for that  
your business and prospects  
are extremely good. That your  
money matters are as good as need  
be desired for. It is very  
gratifying and I hope you are  
grateful to the giver of all good

I have enjoyed a visit to your  
and it has been much though the  
weather has been very cold and  
unpleasant. I am now at Dae  
where I had to write your  
letter and I am sure I shall  
send you a few more of the  
of a little while ago. Beautiful  
pictures of the same were taken  
the day I was with them. I will  
send out three sets of  
to you.

I was yesterday to see you  
and I had back to the  
that I saw some and then I look  
ed of what to the time which  
is to come and I thought she  
is a fine one. I was sorry  
to see the old lady up  
it was I found on the ground  
a death of the. and I

packed a few leaves from the  
same some of which I will  
send you. I shall like  
very much to hear from you  
at least to the time of  
year of St. Barret.

With much love  
truly yours  
D. J. Barrett
