Judge Torngie  
Dear Sir

We have never had occasion to import the English Subicature Commission <sup>Report</sup> and do not find it catalogued in the English Catalogue. It is probably a Public document, and price is uncertain. We really can't guess what it will be. If you need it greatly, we will import for you specially. But price we can't name in advance.

Yours truly

Baker, Voorhis & Co.

Hope you
