Esteemed Friend

W. A. Tourgee!

I see thy name on the Board of visitors. I hope thou wilt favour us with thy company, and also bring Mrs Tourgee with thee. I board with Mr. Hagan the best place in Chapel Hill, and I shall arrange for you to be my guests, and send a man and buggy for you if you will fix the time; I hope you won't disappoint us -

I have a letter from Sarah Ann, Ellen and the are safely in Rochester. Thanks for your great kindness to them. S. A. meets us, all well, in New York city 18th prox. on which day we hope to embark for Europe, my stay in England will be short, as I shall have to be present here at the opening of the next session.

With kind regards to thyself and Mrs Tourgee -

Believe me -

Thy sincere friend -
