

United States Senate Chamber.

Washington, May 31st 1871

Judge Louisa.

My dear Sir: I have seen
your letter to Senator Abbott in regard
to the New York entrapment in your circuit.

I think it a most important &
terrible disclosure. The country ought
to see it. I shall be in Raleigh, next
week, in attendance on the Supreme
Court - say Thursday. Would it
be possible for you to visit me there?

I think a conference between us on
the subject of your letter important.

I cannot make you understand
by letter, what I wish to be fully
talked over with you.

Very truly, &c.
J. M. Powell
