Office of the Judge of the Superior Court,

Seventh Judicial District, N. C.,

Pittsboro
Greensboro, Nov. 15 1887

10 P.M.

My Dear Wife:

Your letter of the 10th inst. was read most joyfully tonight. I have reproached myself a little for having you under such to request it always. I trust however that the same good Power may still be merciful to us. Our ride Sunday was far from being a pleasant one in some respects. A few miles from Asheboro the buggy broke down and kept breaking all the way. I cut and twisted back my withers and Bulla growled. Fortunately his horns were thick or we should have

been swamped - As it was
we only made 25 miles with
stop for the night - The next
morning, with some extra
trouble we managed to get
him about 11 1/2 - I think I
could make a buggy now
out of hickory with all but
the wheels - and I don't know
but I could come that after
a little more practice - I
believe everything about
the buggy except the wheels
was broken from one to five -
ten times as much -

All because I travelled
on Sunday and a mere
that we did not break our
sneakers too - How I guess
you are sorry that you per-

suaded me -

I have been pretty
near sick yesterday and
today, but have just come
out of camp and feel
much better -

Think I shall get through
as soon as the buggy is
repaired -

God keep you my
darling -

Albin
