*Judge Young
Greensborough*

R. L.

Well Judge we have set down this evening to give you particular hell, and submit it in, you were elected by the people of your district by the Republican party, we the Republicans of Gilford and of Hookerham and of Caswell and of person and Orange and of Chatham and of Raleigh and Harnance we the Republicans of your district hold you responsible for your conduct, we elected you in good faith, and the men that did fit to put your throat you are considing with them the Ku Kluck party. we never thought you would have sold your selfe to a damned party as the Ku Klucks. we have ben a watching you for three years, you and Mr. Bulter, you have ben pulling the strings together. for the last three years, you recortect the solemn oath you took to adminster the laws of North Carolina, we the Republican party will remorde you at the ballot box. and if we dont remorde you we hope the Lord in his divine wisdom will

We dar you ever again to offer your services before the
publick of your district. we the republican party regard
you as a traitor. if the Republicans dont dar you, we
hope that God in his divine wisdom will we have had
an interview with good white intelligent Republicans we
have got you and Mr Bulver dated and we the Republicans
thought that we had elected an honest man to administer
the laws of the state of North Carolina in good faith
but we are sorrow to say to you that that same
Kee Pluck party have bought you over you may
look out for the fletcher. for any man that could
have been bought up by such a party dont deserve
the name of a man. we write you this letter to
you know that we know what you are doing
now in conclusion you will get letters from
all over your district and we hope they will tell
you all about how you have went back on us
and you will be rewarded I have heard intelligent
men say that they mean to come personally to your
face and tell you Harry (Pitersons)
