The 3rd House - left visited me about 2 years, I have known
him all my life, a neighbor, young man
and from earliest in his visits frequent

in face of 15 - heard a child by him
in the 3rd House 11 - April - now 18 years
old - I have no doubt that he is the
father

C. K.
I was born in June, 1841 -
He did not come visiting me in
June, and July, 1870 - He
did not come so often in June and
July but I had letters from him -
the 1st of August - they were
his parents they lived and afterwards
I visited him in the 3rd House 1870
I was very much surprised to find
that he was still living in the 3rd House
I was perhaps 28 years old in
the 3rd House in the 1st of August
I had a letter from him in the 3rd House
His last visit was in May 1870 -
He finally stopped visiting me in Dec-
1870 - never had connection with any
other man - Mr Andrews present

 I have these letters - he volunteered
 at my fathers house - I think it was in
 June - visit was in July 1870 - near
 the middle of the month. Child was
 April 2 - 11 - She said there were
 numerous reports as to my character -
 It was in your charge after I was born
 last - She gave us an account of her
 interview with Mr. Wright & would
 have shown me one - Better than
 to write her again. She said she
 knew me - I gave her a very good
 one - but she had been told I was
 married for years -

R X.

After reconciliation with her mother
 she was over a week and

 neither of the counsel in this case before
 Dr. Kerker - An family physician of the place
 His character and that of his daughter
 are in this affair - Her health
 was very feeble - dyspepsia for two or
 three months after confinement -
 very low - spirits depressed - by
 good spirits and health before the
 confinement -

Dr. Kerker

According to my belief the ex-
act cause was ^{not} ~~not~~ this
at all - Think there was a predilec-
tion to dyspepsia - Her gen-
eral health has been - since very
poor - & is now -

Am. D. Smith - Had a conversation with wife
Friday before 4th Sunday in
May 1878 - He asked if I had heard of
the affair between him & Sophy, when
I joined you - Asks me what I thought
of it - Told him I thought very sorry for
the girls nice girl and then not
leave her - He said as to spoiling her he
did not deny the child - but that was
all he intended to do - He never en-
ter into marrying her - That she her father
or might not to have expected anything
but her because he thought so much of
her -

C. K.

He did not say he promised to marry
her but said he had ^{never} intended
to marry her - He said he had just
done what he ^{was} ~~was~~ to do all the time -
He said that he did not deny the child -

He said he did not ~~hear~~ intend
to have her from the stark - The con-
versation was on Tuesday after some
of it was one year ago -
