

Needs no answer

Richmond, July 3. 72

Dear Judge

Your note was rec^d.
just as I was leaving
Charleston, I had all my
arrangements made to come
by Wilmington, and I was then
retained by Greensboro. I cannot
yet tell whether we can do anything
as to the law. I have
seen W. Rusk but in the present
state of the funds he hesitates
to enter into new contracts
before God. Conf.

I hope you will succeed in securing
-ing the position to which you
allude if the district is divided,
as I trust, if you can be appoin-
-ted, it will be. I am glad
you found your correspondence, and I

fully hope that after next God
Camp our Church may secure
a better foothold in your State.

We sh^d be glad to see you
at our residence in Phil
1807 W. Vermont. Mrs. S.,
who was quite unwell at Charleston
but is now better, joins in af-
fectuous remembrance to Mrs.
Tracy & yourself, as well as to
other members of the family.

Yours truly
M. Simpson

The compliments of the season
to you & yours. M.S.
