

OFFICE **Clerk Superior Court,**

ORANGE COUNTY.

GEO. LAWS, Clerk.

Wilmington, N. C. 10th May 1872.

Wm A W Jamieson

Dear Sir

When Genl Bulla left his State
papers with me on leaving for home he said he had
made a memorandum of the names of witnesses that
he wished to have summoned in the Garard Kee Kluy
Case. Mr Parish and myself examined the papers
and to my surprise I could find no such memo-
randum among the papers, if there are any witnesses
in the case please let me know who they are for I
never know as yet who they were. I do not wish
to be made the scape goat in this matter

Very respectfully
Geo. Laws
