

United States Internal Revenue,

Collector's Office, 5th District, North Carolina,

Greensboro', May 10, 1872.

His Excellency W. S. Hunt
Pres. U. S.

Sir:

If the Judicial bill, now pending before the Senate, becomes a law, I know of no one better suited, or who will make a more efficient District Attorney, than you. A. W. Longmire, now one of our Circuit Judges for the State, and I would therefore most respectfully recommend his appointment.

Very Respectfully
C. S. Winters
