A. W. Loring, Esq  
Dear Sir,

Received  
copy of records & should have moved  
for non-suit before but the  
court was not in session. The  
court has now come in & I will  
make the motion on the first ses-  
sion day, which will be about  
ten days hence, & advise you of the  
result at once

Yours very truly
