Dear Sirs,

We do not issue Endowment policies at ages or on plans other than those stated in our Tables. We insist upon, however, the rates for American Endowments published by the Nat. of Wash- ington for your consideration.

If this plan would meet your friends' views we should feel pleasure in procuring the policy at your request.

This is in reply to yr. of the 9th inst.

Very truly yours

J. H. Bewley
Secretary
