

Roxbury N. C.,  
Dec 11<sup>th</sup>, 1892.

Hon. A. W. Lougou.

Dear Sir:

I herewith enclose you a statement of a case for your inspection and approval. The notice of appeal was given after the adjournment of court, as the papers show, and I have made out the case immediately and submitted it to Mr. Barnett, counsel for defendants, and have called his attention to the subject several times since, but he has done nothing as yet, and there is no time left now for delay. I have done my best to make out the case correctly. Please return to me at your earliest convenience.

Respectfully

J. H. Russell
