

State of North Carolina Superior Court -  
 Rockingham County 2d Term 1872

To the Hon A W Louge, Judge  
 of said Court

We the Grand Jurors  
 have during the present term of this Court  
 visited the Soil of said County and  
 beg leave to report - — That we find  
 there is no way provided to warm the  
 bells of fire; and that it is not  
 kept in a very healthy condition, and  
 we further report that we do not believe  
 said Soil to be perfectly safe and secure
