A. M. Tongue Esq -
Greensboro N.C.

Dear Sir: As it appears
improbable that we shall
send an agent to Greensboro
for some time, we for-
ward you this day
Vol V Am. L. T. Reps bound,
through Thos Keogh Esq
of your city, charging
one dollar for binding
the same and a por-
tion of the expressage.

We beg leave to
call your attention to

the general index
and to the enclosed cir-
cular, a copy of which
was sent you some time
since.

Be kind enough to
retain the sheets of
Vol V, subject to the
order of our agent. If
you have other years
unbound we will be
glad to send you bound
volumes in lieu of
them.

We enclose our
bill which we beg
may receive early
attention. If not con-
venient to send the
amount in cash a

note or thirty or sixty
days is suggested.

We have been at
great expense in
preparing our new
edition and are
compelled to be im-
gent in our call
upon our patrons.

Very Respectfully

J. J. & C.
